Welcome to our Fall 2011 Product Catalog!

As I write this, the leaves on the trees are already beginning to turn. It seems like only yesterday that the spring flowers were blooming. Now I wonder how long before the snow returns.

Our production team has been busy this summer, finalizing all of the wonderful extras for *Utena* as we look to release the final set in December. Plus, the lovely angels are back with a new set of *Dirty Pair* coming just after the new year. This summer, we announced the acquisition of *Martian Successor Nadesico* as well as the mecha classic *Gasaraki* for release next year. All in all, we've got some exciting titles in production, and more are yet to come. Keep watching the website for details!

Many companies talk about service, but at Right Stuf, it's something we live by. Exceeding our customers' expectations is one of our core values. We want to know what we've done well, and what we've done not so well.

We celebrate our successes and use our issues as learning experiences for our staff. Rate our service and tell us how your package fared on its way to you at green.rightstuf.com!

Anime, Books, Merchandise, and more. More Stuf, one stop. What can we help you with today?

UTENA

Revolutionary Girl

A REVOLUTIONARY REMASTER

Revolutionary Girl Utena has gorgeous animation and memorable music, but it's always been hampered by the limitations of the media it was released on. That is, until just recently. Now lavishly remastered, the video features a remarkable amount of clarity and color and the audio features new sound effects and the directionality of Dolby 5.1.

Below is a brief excerpt from Nozomi Entertainment's *Revolutionary Girl Utena* DVD Set 1 booklet, where members of the Japanese remastering staff detail some of the finer points of *Utena*'s remastering process.

VIDEO REMASTERING

Let's start off by talking about the production process for HD remastering. *Revolutionary Girl Utena* (hereafter referred to as "*Utena*") was originally done on 16mm film, wasn't it?

Ito: We convert that to the high-definition "HD" format, create new materials, and then process them to produce a new master. "HD remastering" means trying to raise the quality of the master by updating it to a new generation of media.

Please tell us what your impressions of *Utena* were when you converted the first materials.

Kaneda: The theatrical version of *Utena* was 35mm, and the TV version was 16mm. Given that this is an HD remaster, I think first off you can sense the difference in quality that comes from the difference in film type. Also, the old TV version was created for broadcast, so only about 90% of the cel art is visible after fitting it to the TV frame. So if the rest of the cell had stuff in it that shouldn't be there, it didn't matter because nobody would see it anyway. But now we have full-display TVs, like LCD TVs for example, and everything is 100% visible. That meant that when we were first recording the HD tape, how much of the frame to use became an issue. Ultimately, we ended up showing everything, since that was the director's preference. And so the 10% that was never visible before got cleaned up and

generally corrected, and now you can see the whole frame as it was originally drawn.

Did he have requests about the coloring of the characters, too?

Kaneda: As an example, Utena's hair is pink, but there's the pink and then there's pink. You have your reddish pinks, your yellowish pinks, and all that. For this project there was no color chart or other basis for color matching in the film, so we started by getting permission to examine actual cels of the main characters, and we decided to match those. The character that I especially felt had the most variation in her coloring was Anthy. Her skin was difficult. I think there were probably several different versions from the beginning. You see, it was a slightly different color each time. As we worked, we consciously worked to avoid letting those color variations make anything seem off within a given scene. For example, one part of a sequence of evening scenes abruptly had a more daylight sort of coloring, so we consulted the director: "Should we match this bit to the evening hues for continuity?" And then we adjusted the skin tones to fit the overall tonality.

Are the colors any more vivid than when we watched the show on TV?

Kaneda: None of the colors got drastically more vivid. After all, it's not good to make them too far removed from the video you've seen up until now. They are sharper now, though. We've revised them to be clearer, so I think they're easier on the eyes.

I see. And after that, you need to clean up any defects in the frame, right?

Takemura: In terms of order, first you have digital remastering, and then you set up filter parameters to do the denoising. You remove all of the noise and distortions in the frame. Then you bring this processed footage to the editing room and check it with the director.

But when we watch anime on TV, we don't really think "Look at all that noise!", do we?

Ito: Most of the anime shows made in recent times were produced digitally, so there isn't any noise, but even though this *Utena* release is a "digital remaster," I think there's bound to be a certain amount of noise in it, because the original materials were film. Still, I think this is far and away cleaner than the previous DVD release. It's not even comparable. You see, that was a seriously mad dash to the finish.

Takemura: To start with, I did about 100 corrections per episode.

Yamazaki: That was after my team cleaned up each cut, though. We'd remove the noise,

cut and paste things from other places, and generally make it look clean. Ultimately, it's almost like compositing work. Then we'd lay that back to tape again and check it with the director, at which point we'd receive additional corrections... (laughs)

Ito: Yamazaki would input the tape media to a nonlinear machine and work on it, and then Takemura would edit it on tape media, and that would become the final master.

Yamazaki: You were saying that to start with the director check would yield about 100 corrections, but how many did he give you on the second half of the work?

Takemura: About 300. Because after we'd done one full pass on the show, more corrections would come up during rechecking.

That sounds like a lot of revisions. Is that more than average?

All: Oh, yes... (laughter)

Takemura: Basically you're doing frame-by-frame recording of the cels, right? And when there's lip flaps with layered cels, the noise you end up with ultimately stands out. That stays in the picture throughout.

Could you all sense the director's enthusiasm?

Yamazaki: Absolutely! If he's like this with a remaster, I wonder what he'd be like if he decided to do something new.

Ito: His enthusiasm is amazing.

Takemura: He's a passionate person, isn't he? We talked about various things in our spare moments on the job, and I can tell you one thing: he watches all kinds of stuff. I mean, if it'd been a week since you'd last gotten together, he'd tell you about this movie or that DVD that he'd seen in the meantime. I thought he must be trying to absorb into himself anything and everything good that might be out there.

Ito: Yes, he was always watching things with curiosity: "How did that scene in that show come out?"

Takemura: Like, "That was beautiful, huh? How do you think they did it? Can we do that too?"

He'd talk about those things even in the studio with you, then.

Takemura: When he does checks, he has his eyes glued to the screen the whole time, and I think he concentrates pretty intensely, so he probably gets worn out. He'd spend over three hours on one episode of *Utena*, so we'd usually take a break after each one.

AUDIO REMASTERING

For this DVD box set, the sound has been redone in 5.1, the format where you get sound out of six different speakers. Could I ask you to tell us about that process?

Yamada: In general, we didn't re-record lines. Among other things, the actors' voices will have changed after eleven years. The thing you'll notice the most when you listen to the new audio mix is the sound quality. For example, in the sound sources of those days you got a lot of lip smacking and other mouth noises, so the first thing we did was a sort of cleanup to clear that stuff away phrase by phrase. And then we re-recorded just those lines where the nuance was off in the original. Places where the schedule constraints of the day meant that the actors had to record before the art was ready; things like that. I think the director felt frustration at the time, too. Other than that, since this is a 5.1 track, we needed sounds that could be heard out of the back speakers, not just the front. In terms of how we gave the mix a three-dimensional feel using this system, we added things like walla (crowd noises) to get sound with breadth. We did re-record those things. In 5.1, you can hear particularly clearly the sounds that give a sense of motion or positioning.

What are these six speakers that are used in 5.1?

Yamada: In front you have L, C, R (the left-front speaker, the center, and the right), and then there's Ls and Rs (the left and right-rear speakers), and finally there's the subwoofer, which does the low frequency sounds.

So, is the goal of switching to that format producing a "you're right there with them" feeling? I know the sound in the duel scenes is more three-dimensional.

Mii: To begin with we had instructions from the director to make all the whining sounds, like the swooshing of the swords, surround. The original audio that was always there comes from the front speakers, but new sounds we added in are coming from the rear as well. People with 5.1 setups at home will hear those new sounds coming from behind them. Those are newly recorded effects, but they appear in almost every episode.

Then you made new recordings of the sound effect-type things for this release. Do you get a different sense of presence when the "swooshes" are layered like that?

Yamada: Yes. It packs more punch, and since you get the vwoosh coming in from behind when the swords are drawn, you feel like you're in the middle of the action. The director was very particular about the action scenes.

Also, there were some things that we altered drastically: the sound of the bells that ring before each duel, and the sound of the Akiro Car. We were acting on the director's instructions for those changes, and they're quite different now.

What was the director's image of the bells' ringing like?

Mii: He basically wanted to broaden it. He wanted the audience to hear weighty sounds coming from the front and back. To tell you the truth, the new sound doesn't match the visuals at all. You only really see four or five bells, but we put a huge number of them in the soundscape... The low booming sort of ring doesn't catch your ear right by itself, so we put in higher sounds as well. There's all kind of bells ringing that aren't at all like the ones on the screen.

The choral songs start up in the duel scenes that follow, too, so that seems complex.

Mii: When you have music and SFX (sound effects) together, the SFX can easily be overwhelmed so that you can't hear them. When the director listened to the SFX by themselves he said they sounded great, but when we combined them with the music they weren't audible, so that was a difficult issue. What's more, there would even be dialogue on top of that sometimes.

Yamada: What do you pull back? What do you bring out? And where? One constraint is that you really have to be able to hear the dialogue. In a situation where you want to bring out the dialogue and you also want people to hear the music, it becomes a matter of frequency. In terms of the duel scenes, the director was also particular about the part when the sword comes out of Anthy's chest.

Mii: He had the image of the movie's sword-drawing in his mind, and the movie was 5.1 in theaters, so the sound came in from back to front. But the TV series wasn't made that way. It has SFX, but they're almost entirely covered by the music and you can't hear them. So, in the moment that the sword comes out of her chest, we've added a booming sound. There's also light pouring forth in the video during that sequence, so we put in some "whoosh."

I hear the library scene in episode 4 really sounds like a library now.

Mii: The director wanted to have the sounds of chairs and footsteps and such - in other words, to have sounds that conveyed human movements without anyone speaking. At first, we designed the sound with a certain amount of soft but present crowd noise, like people mumbling to each other. But the director said, "That's not right." He wanted to have the

audience feel the human presence not through people's voices, but through the sounds of people moving.

Yamada: After all, you generally don't talk in libraries, right? So we express people through coughs and things. The TV broadcast ended up having walla (crowd noise) in it.

Listening to you talk about it, it sounds like a newly reborn, definitive version of the show. Well, to wrap up the interview, could you tell us your impressions of Director Ikuhara?

Mii: The director was more knowledgeable about audio than I expected. He has a 5.1 setup in his own home, and of course he watches all kinds of movies, so a lot of his instructions were very clear, which made things easy for us. He would tell us his vision: "I'd like to hear this sound from this direction in this way"; things like that. When we were doing the duel scenes we learned the director's way of thinking, so after that we made everything accordingly.

I'm very much looking forward to hearing the final audio.

Yamada: Even on normal TV speakers, there will be more sound than before, the dialogue will sound cleaner than before, and the music will have a different sense of presence, so I think you'll be able to enjoy it in stereo as well.

Mii: But it's even more awesome with a 5.1 setup, so I hope you'll listen to it in 5.1 if possible.

BE A PART OF THE REVOLUTION!

All 39 episodes available in three limited-edition sets!

Each limited-edition *Utena* set features: digitally remastered video, all-new 5.1 Japanese audio, a book that includes extensive art galleries, staff interviews and commentaries, liner notes, and more!

Set 3 also includes the *Adolescence of Utena* movie.

Order all three *Utena* sets through rightstuf.com and receive an exclusive replica of Utena's signet ring!

RAY

Raised to be harvested for parts, Ray had already lost her eyes when renegade surgeon Black Jack rescued her. Now, ten years later, she has grown up to be a surgeon herself thanks to the unique artificial eyes she received as replacements. But unknown to any but a select few, her surgical endeavors are only part of a greater mission: to discover what happened to the other children she was raised with, and to find the men who stole the eyes she was born with and to bring them to justice.

BLASSREITER

A blood-borne plague races across Germany, giving life to mechanized monsters. Known as Demoniacs, these creatures have the ability to meld with technology and wield it as an extension of their uncontrollable rage. Standing in their way is civilization's last hope. Joseph Jobson, the mysterious blue rider, fuses with the unreal technology of his battle-tested motorcycle to defend man against machine. But the same tainted blood that carries his strength threatens to devour his soul.

MOVIE 3: FADE TO BLACK

A mysterious figure has broken into Mayuri Kurotsuchi's laboratory in the Seireitei. Rukia witnesses this catastrophe, and the intruders abduct Rukia as she feels something inside of her fade away. Meanwhile, in the World of the Living, Ichigo and Kon experience a strange disturbance and investigate. What awaits Ichigo in the devastated Seireitei are Soul Reapers who seem to have lost all memory related to both him and Rukia. Ichigo must find out what happened to Rukia and try to save her before the two are forced to part ways forever!

BLUE EXORCIST

When unexpected events reveal Rin, a goodhearted brawler, is actually the son of Satan, all heck breaks loose, and the teen is left with one of two choices: become an exorcist or be killed. A-1 Pictures' vibrant anime adaptation retains the humor and heart of Kazue Kato's Blue Exorcist manga, while its accomplished animation brings the source material's world to life and truly keeps you on the edge of your seat during battles. If you're a fan of Fullmetal Alchemist, this is one to watch. - Staff

BUBBLEGUM CRISIS

TV SERIES

TKOYO 2040

Tokyo has become the epicenter of advanced technology, but at a dangerous price: its workforce is riddled with humanoid robots that tend to go on destructive killing sprees. That's when four young women gear up in cybernetic suits to crush the defective droids. They are the Knight Sabers: heavy-metal heroines battling an evil corporation's bionic pawns while its grip on the city threatens to strangle humanity.

GALAXY EXPRESS 999

MOVIES

ORIGINAL MOVIE

Galaxy Express 999 is a classic anime by Leiji Matsumoto, the creator of Star Blazers (Space Battleship Yamato), Captain Harlock, Galaxy Railways, and several other wonderful sci-fi stories. For so long now, Galaxy Express 999 has been out of print. Seeing it finally released on DVD makes me feel like I've come full-circle. While the animation and artwork are a little rough compared to newer titles, the story is a timeless one full of humor and heart. Titles like Galaxy Express 999 are the reason I love anime.

HETALIA AXIS POWERS

MOVIE

PAINT IT, WHITE

The Pictorians have arrived from deep in space. They also have dangly glow-balls on their heads, which is kinda cool, but still. The freaky aliens are using use their crazy rainbow-beam-things to paint everything on Earth the same color: whited! See, now the title of the movie makes more sense, right? Anyway, if the Pictorians are to be stopped, the Allied guys and the Axis boys - plus some new characters, too - must set aside their differences, unite against their common foe, and save the world!

KIMI NI TODOKE -FROM ME TO YOU-

Sawako Kurokura is sweet, earnest and more than a little naïve, but she's also decidedly odd (her nickname is "Sadako" after the famous horror movie character), which keeps her from ever being saccharine. Her strangely charming personality drives this romantic series beyond the average shoujo tale and leaves viewers rooting for her everyday triumphs (building friendships with classmates, gaining self-confidence, keeping other students from running away in fear of her non-existent supernatural powers, etc.) from the very first episode. - Staff

SHIPPUDEN MOVIE 2: BONDS

A group of mysterious flying ninja have arrived from overseas to launch a sudden attack against the Hidden Leaf Village, leaving behind a wake of destruction. The group is revealed to be the "Sky Ninja" from the Land of Sky, a nation thought to have been destroyed by the Hidden Leaf Village long ago. To save their village, Naruto and his friends set out to stop this new threat. During the course of the mission, Naruto crosses paths with Sasuke, his friend who has parted ways from the Leaf Village.

NEO ANGELIQUE ABYSS SEE ANGELIQUE

NIGHT RAID 1931

1931. Shanghai. Ten years before America will enter World War II, the hydra's teeth planted by the first great global conflict are beginning to germinate. Hatching like spiders, they weave the complex web of plots and conspiracies destined to inevitably draw entire nations to the brink of destruction. Desperately seeking to separate lies from truth is "Sakura Kikan," an ultra-secret intelligence agency staffed by extraordinarily talented individuals with abilities far beyond those of normal humans.

OREIMO

On the one hand, this series quickly became for me *My Little Sister's Friend* Kurokoe. Kurokoe's character stands out as the quirky and yet displays the most depth as her home life is artfully revealed to be in stark contrast to her public persona. On the other hand, the complex relationship between Kyosuke and his otaku sister Kirino swings wildly between brutal violence and guarded tenderness, and it's this dynamic that makes the pair so fun. As their

relationship slowly develops through Kirino's insistence that Kyosuke help her secretly pursue her love for moe anime and dating sim games, it's interesting to see how fuzzy the boundaries between hatred and love can be.

TOWARD THE TERRA

MOVIE

In the future, mankind has created a seemingly utopian society strictly controlled by the government, where anything that threatens to disrupt the status quo is ruthlessly suppressed. When 14-year-old Jorru begins to question the way the society is run, he suddenly becomes a target for both the government and the Mu, an outcast race with extra-sensory abilities who have been fighting against the government for generations. Now each is determined to hunt him down - one to kill him and the other to save him. Remastered edition.

BADLANDS RUMBLE

In a town surrounded by quicksand, an outlaw from Vash the Stampede's past has resurfaced after twenty years. His name is Gasback - and he's looking to cause a little trouble. It seems Gasback has a serious beef with the town's mayor, who's paying dozens of bounty hunters to protect his turf. One of those hired guns is a beautiful woman with a vendetta against Gasback. Will she get a shot at revenge? Maybe, if she can get through Gasback's bodyguard, Woolfwood. And what's Vash got to do with this mess?

TYLOR,

IRRESPONSIBLE CAPTAIN

TV SERIES

Justy Ueki Tylor had his life all planned out: join the military, get a cushy desk job, and retire with a fat pension check. The perfect plan... until he somehow managed to save an admiral! Now Tylor - a man who wouldn't know what discipline was if it bit him on the backside - has been made Captain of the space cruiser Soyokaze. The crew of this run-down ship is the craziest rag-tag team of misfits you're ever seen, but they'd better learn to work together because they're about to go head to head with the Raalgion Empire Remastered edition.

VAMPIRE KNIGHT

UTENA, REVOLUTIONARY GIRL

STAFF PICK

Drama, action, comedy, fantasy... Utena has a little bit of everything and something for everyone. What starts out as a seemingly simple story of a chivalrous girl defending a girl's right to personal freedom quickly expands to show a deeper psychology. The characters are richly developed and the story is perfectly balanced between lighthearted fairytale and dark fantasy. And now, being given a gorgeous replacement, an extensive amount of supplemental extras, and an all-new 5.1 Dolby audio track, Utena's never looked or sounded better! - Staff

DEAD OR ALIVE

Dead or Alive is a highly engaging Yakuza crime story, but with Takashi Miike as the director, you just know that it can't be taken at face value alone. What starts as a violent game of cat-and-mouse eventually explodes with action and will leave you laughing in amazement and wonder. Dead or Alive is, by far, one of my favorite Takashi Miike films next to Audition and Full Metal Yakuza. If you love ridiculous, schlock-style films similar to something you'd expect from David Lynch, check this one out! - Staff

LITTLE BIG SOLDIER

Jackie Chan plays a soldier from Liang, who ultimately survives the war by playing dead. Lee Hom Wang plays a general from Wei, who is wounded fighting for his country. A painful yet comical journey commences when the soldier decides to kidnap the general and bring him back to his state in the high hopes of collecting a reward. When the unlikely duo is confronted by danger, they quickly learn that they must join forces in order to survive!

MAGNIFICENT RUFFIANS

One of the Five Venoms' more comedic outings, *The Magnificent Ruffians* (1979) trades up the straight-faced heroics of the previous year's *Five Deadly Venoms* for some kung-fu shenanigans in the best Jackie Chan tradition. This tale of martial arts draws inspiration from Chan's 1978 breakout hits *Snake in the Eagle's Shadow* and *Drunken Master*, but under the watchful eye of legendary Shaw Brothers director Chang Cheh the film rises above mere imitation.

MAKIOKA SISTERS

Revolving around the changing of the seasons, *The Makioka Sisters* follows the lives of four sisters who have taken on their family's kimono manufacturing business, over the course of a number of years leading up to the Pacific War. The two oldest have been married for some time, but according to tradition, the rebellious youngest sister

cannot wed until the third, conservative and terribly shy, finds a husband.

SILENT NARUSE

From the outset of his career, with his silent films of the early thirties, Mikio Naruse zeroed in on the lives of the kinds of people - geisha, housewives, waitresses - who would continue to fascinate him for the next three decades. Though he made two dozen silent films, only five remain in existence. These works - poignant, dazzlingly made dramas all - are collected here, newly restored and on DVD for the first time, and featuring optional new scores by noted musicians Robin Holcomb and Wayne Horvitz.

STILL WALKING

Still Walking is the most personal work to date from contemporary Japanese master Hirokazu Kore-eda. Fashioned as a tribute to his parents, the film depicts one day in the life of the Yokoyamas, gathered together for a celebratory ritual that only gradually makes itself clear. Rather than focus on big dramatic moments, Kore-eda relies on simple gestures and domestic routines (especially cooking) to evoke a family's entire life, its deep regrets and its daily joys.

ITEM LISTINGS

Ratings System

To benefit our customers, we have implemented a rating system for many of our products based on the manufacturer's suggested rating for each title.

N/R

Not yet rated.

ALL, 7+, 10+

Generally acceptable for children.
No nudity. Possible mild violence.

12+, 13+, 14+

Parental discretion advised. May contain violence, brief nudity, mature themes, and/or mild language. May suggest sexual situations, but no such situations are shown.

15+, 16+, 17+

Strong violence and explicit language. Nudity may be prevalent. Mild sexual situations may be shown.

18+

Extreme violence, and/or explicit nudity. May contain sexually explicit material. Absolutely not for anyone under 18 years of age.

Please note: Right Stuf does not set ratings and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only and are subject to change.

Runtime / Page Count

The listing for each item contains information detailing its approximate length. Depending on the manufacturer, this may or may not include extra bonus features, such as previews or forwards. An N/A indicates that the manufacturer has not provided this information at this time.

Edited / Uncut

Although many fans screech in horror at the very thought of altering the original Japanese version of a show, for a series to make it to American TV (or even into some retail stores), it is often edited. This can mean that scenes containing nudity, excessive violence, blood, and foul language are altered or even totally removed. Anime purists may want the original in all its glory, but parents of young TV viewers do not. Manufacturers recognize this and sometimes release both the Edited (TV) and the Uncut (original) versions of the show.

DUB ONLY? SUB ONLY? HYB?

Although DVDs and Blu-ray discs allow for the possibility of multiple languages, it's not always possible to license a title for dual-language, or hybrid (HYB), release. So, you end up with manufacturers releasing discs that are Subtitled Only (SUB ONLY) or English Dubbed Only (DUB ONLY). Subtitled discs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. In our online store, subtitled items are represented by (S), dubbed items are represented by (D), and dual-language, or hybrids, represented by (HYB).

Release Dates

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed. However, manufacturers can (and often do) change these dates due to production delays. If you are pre-ordering an item and are concerned whether it's on schedule, please feel free to check the release date on our online store, or feel free to contact our friendly Customer Care representatives.

OVA (OAV)

OVA stands for Original Video Animation. Basically, this means it is a direct-to-video release.

Special Collections

Certain DVD and Blu-ray items are marked with names such as "Viridian Collection," "S.A.V.E. Edition," etc. These are re-releases of the original discs, at lower prices. However, these editions may or may not include all of the features that were found

on the original releases. If you are concerned that the item you are considering may not contain the features that you want, please feel free to contact Customer Care or check the item's listing through our online store.

Missing Volumes

You may notice volume gaps in our printed catalog listings. This is not necessarily because the products aren't available, but merely because we couldn't fit every item into the printed catalog. If you are looking for a certain volume, please feel free to contact Customer Care or check our online store.

DVD/BLU-RAY SPECIFIC

Can my DVD play in a Playstation / Xbox / personal computer?

It depends on the DVD. There have been instances of some DVDs having difficulty playing in certain players. While the vast majority of DVDs will work just fine, we cannot guarantee all DVDs will play correctly on your Playstation, Xbox, or personal computer.

Will a Blu-ray disc play in my regular DVD player?

Just as CDs and DVDs require different types of players, so do DVDs and Blu-ray discs. In order to play a Blu-ray disc, you must have a Blu-ray player or a Playstation 3.

Will a DVD play in my Blu-ray player?

While some Blu-ray players will also read DVDs, not all do. We cannot guarantee that all DVDs will play in your Blu-ray player.

What is Region Coding?

Region coding is a geographical restriction for DVDs and Blu-ray discs. Since players are region specific, you need to make sure that the item you purchase is coded for the same region as your player. All DVDs and Blu-ray discs we sell are region coded for the United States.

What region is my player?

If you purchased your player from a retail outlet in the U.S., it should be Region 1 for DVD players or Region A for Blu-ray players. You can check the region coding on your player by looking for the region code symbol on the player's packaging.

DVD Region Codes:

- 1 Region Free
- 2 United States and Canada
- 3 Europe, Egypt, Arabia, Japan and South Africa
- 4 Korea, Thailand, Vietnam, Borneo and Indonesia
- 5 Australia and New Zealand, Mexico, the Caribbean, and South America
- 6 India, Africa, Russia and former USSR countries

GENERAL

What's this "Got Anime" thing?

It's an easy way to get an additional discount on your favorite anime items. For a small yearly membership fee, you get additional discounts, newsletters, and members-only specials! Read more about the Got Anime Savings Club on page 4. Please note that international members of the club no longer receive print mailings, due to postage costs, but the same newsletters are available online.

Memberships are non-transferable and are linked to the billing address of your account. If you move, please make sure to contact us with your new address so that we can update your membership information.

I saw this show that I think might have been anime. Do you have it?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's a magic user, a guy with a sword, and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't necessarily mean that it's available in the U.S. as a licensed product, but it could be.

Why isn't (title here) available in the U.S.?

You might be surprised to find out how much anime is available in the U.S. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and of course, some are currently in negotiation. With the exception of a few TV series (which are a different matter entirely, due to their length), this just about covers it. We do not sell bootlegged products.

Why don't you carry many imports?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are only listed on our online store, so if you're looking for a particular item, please check our online store or contact Customer Care.

Why don't you have (title here) audio soundtrack from Japan?

See previous question. You also might want to check our online store, since some titles are available domestically.

I really want to learn Japanese. What resources do you have?

We have many products to help our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, we carry the latest items to help you learn the Japanese language. These items are available on our online store, including everything from videos and textbooks to memory aids and intermediate readers.

Can I special order items that are not on the online store?

Simply put: If it isn't on our online store, we can't get it at the moment.

Do you carry adult products?

Since the catalog is delivered to anime fans of all ages, we've taken special precautions to ensure younger fans are not exposed to listings for products that contain adult situations or sexual content. Products of this nature have been placed in a special adult insert, and you will only receive it if you have ordered these products in the past.

If you would like to receive a printed copy of the adult section, you can send a written request to:

JAPANESE MANGA

20TH CENTURY BOYS

Humanity, having faced extinction at the end of the 20th century, would not have entered the new millennium if it weren't for them. In 1969, during their youth, they created a symbol. In 1997, as the coming disaster slowly starts to unfold, that symbol returns. This is the story of a gang of boys who try to save the world.

ABOUT LOVE

Asaka is a dedicated wedding planner who'll do anything to guarantee his clients' happiness. Sadly, his own love life has all but vanished thanks to his ridiculous work schedule! But when Asaka's first patron resurfaces, the precious spark of true love may finally fly for him. Can he plan the perfect affair... or will it just have to happen by chance?

AFTERSCHOOL CHARISMA

St. Kleio Academy is a very exclusive school: all of the students are clones of famous historical figures such as Beethoven, Queen Elizabeth I, Napoleon, Mozart, and Freud. All of them, that is, except for Shiro Kamiya. As Shiro struggles to adapt to this unusual campus, St. Kleio's first graduate, a clone of John F. Kennedy, is killed. Are the clones doomed to repeat the fate of their genetic progenitors, or can they create their own destinies?

AIR GEAR

Itsuki Minami is the toughest kid at Higashi Junior High and lives with the mysterious and sexy Noyamano sisters, so life's never dull. But it gets downright dangerous when Itsuki leads his school to victory over some vindictive Westside punks with gangster connections. Then the Noyamano girls give him an amazing gift: a pair of Air Tracks. These high-tech skates enable Itsuki to execute the wildest, most aggressive moves

ever seen.

ARISA

Tsubasa thinks that her pretty and popular twin sister, Arisa, has the perfect life. Everyone at school loves Arisa, unlike the hot-tempered Tsubasa, whose nickname is the "Demon Princess." When Arisa attempts suicide, however, Tsubasa learns that her seemingly perfect sister has been keeping some dark secrets. Now Tsubasa is going undercover at school - disguised as Arisa - in search of the truth. But will Arisa's secrets shatter Tsubasa's life, too?

BLACK BUTLER

When a terrible fire claims his parents, Ciel Phantomhive must step up as the head of his father's company and as Earl of Phantomhive Manor. It would be a lot for the young boy to handle were it not for his faithful butler, Sebastian. Ever at Ciel's side, it seems there's little Sebastian can't do, whether it's saving a dinner party gone awry or probing the dark secrets of London's underbelly. He's almost too good to be true... or at least, too good to be human...

BLOOD ALONE

In a seemingly quiet household, cute vampire girl Misaki lives with definitely-not-a-vampire Kuroe, who lives a Clark Kent-like life in the underground world of the undead: mild-mannered investigator by day, formidable vampire hunter by night. *Blood Alone* features a dark plot that spoils out over the course of the series and an engaging cast of side characters, but where it shines best is in the unlikely but steady relationship between its two leads.

D.GRAY-MAN

In a fictional 19th century England, Allen Walker is a 15-year-old boy who roams the earth in search of Innocence, the mysterious substances used to create weapons that obliterate demons known as akuma. A born exorcist, Walker's primary anti-akuma weapon is the cross that's embossed on his red, disfigured left hand. Together with his fellow exorcists, Walker leads the battle against the Millennium Earl, an evil being out to destroy mankind.

DEATH NOTE

BLACK EDITION

Light Yagami is an ace student with great prospects - and he's bored out of his mind. That changes when he finds the Death Note, a notebook dropped by a rogue Shinigami death god. Any human whose name is written in the notebook dies, and now Light has vowed to use the power of the Death Note to rid the world of evil. Will Light's noble goal succeed, or will the Death Note turn him into the very thing he fights against? Each Black Edition volume contains 2 volumes of the original series and features 5 full-color pages.

DRIFTERS

From Kohta Hirano, mangaka of Hellsing,

comes a new manga filled with adventure, mystery and the sick, fast-paced action and violence his fans have come to expect from his work. By blending characters based on real historical figures with elfin creatures, supernatural abilities, and other elements of fantasy, Hirano pulls readers into his curious, battle-filled alternate world from the very beginning. Volume 1's action-packed plotline fly across the pages and propel the story forward, leaving readers anxiously awaiting the next installment.

DURARARA!!

Yearning for a life less ordinary, introverted high school student Mikado makes his way to Ikebukuro, a hotbed of madmen. On his first day, he encounters a cast of characters so colorful, the rich hues of his rural hometown pale in comparison! As if the naive stalker chick, the hikikomori genius doctor, the hedonistic information dealer, and the strongest man weren't enough, Mikado also chances upon a sight that leaves him rubbing his eyes - the Black Biker, soundlessly weaving through the streets like a figure out of an urban legend. Who is this "Headless Rider" on the jet-black metal steed?

FULL MOON SEE UNTIL THE FULL MOON

GANTZ

The last thing Kei and Masaru remember was being struck dead by a subway train while saving the life of a drunken bum. What a waste! And yet, somehow, they're still... alive? Or semi-alive? Maybe it's reanimated... by some kind of alien orb with a nasty message: "Your lives are over. What you do with your new lives is up to me!" And what this orb called "Gantz" intends to do with their lives is make them play games of death.

GARDEN

When a group of friends enter a garden just beyond a wall, the garden they find is no Eden, but rather a massive landscape of machines, geometric forms, and all manner of nonorganic objects. They become enmeshed in a fantastic wonderland of distorted mirrors, photographic equipment, massive libraries, and complex pathways, thus yielding a reflection on the myriad ways human interact with the complex mechanical world we have created.

N/R • #9780892632710 • 332 pgs • \$18.71

GATE 7

When high schooler Chikahto Takamoto visits an ancient shrine while on vacation, the last thing he expects is to step into a magical world - and the three elemental warriors he meets are even more surprised than he is! While still sporting CLAMP's beautiful trademark art, Gate 7 takes their writing in a fresh new direction, leaving behind Tokyo and its disaster-prone tower for the history-rich shrines of old Kyoto for a mystical tale.

INU YASHA

BIG EDITION

When schoolgirl Kagome stumbles through a boarded-up well within an ancient shrine, she falls back in time to sixteenth-century Japan. There she becomes the protector of a feudal village, the master and friend of Inu Yasha, a hot-tempered half-demon dog-boy, and the caretaker of the magical Shikon Jewel against the demonic forces of the present and past! Omnibus "Big" edition.

ITSUWARIBITO

Utsuho's truthfulness as a child resulted in an enormous catastrophe, and he decided to lie from that day forward. Raised in a village of orphans by a monk, Utsuho is an unrepentant troublemaker. The monk eventually inspires him to help people, but there's no way Utsuho's going to lead an honest life! Instead, he's going to use his talents for mischief and deception for good!

JORMUNGAND

Jonah was a child soldier, born in the chaotic conflicts that rage across Africa and his family lost to a war fueled by weapons supplied by the so-called "Merchants of Death". Despite Jonah's hatred of weapons and violence, he employs both extremely well and does so in the service of high-flying arms dealer Koko Hekmatyar and her band of mercenaries. Their journey may lead only to damnation, but will Jonah one day make his way back to the light?

K-ON!

When their high school's pop-music club is about to be disbanded due to lack of interest, four girls step up to fill the membership quota. Unfortunately, lead guitarist Yui Hirasawa has never played an instrument in her life, and standing in front of the mirror posing with her guitar is a lot easier than actually playing it. It's gonna be a while before this motley crew is rocking out, but with their spunk and determination cranked to 11, anything is possible!

KAMISAMA KISS

Nanami Momozono is alone and homeless after her dad skips town to evade his gambling debts and the debt collectors kick her out of her apartment, so when a man she's just saved from a dog offers her his home, she jumps at the opportunity. But it turns out that his place is a shrine, and Nanami has unwittingly taken over his job as a local deity! Nanami has all kinds of new responsibilities she doesn't

understand, dangers she's unaware of, and a cranky ex-familiar who's... actually pretty hot. What's a new-fledged godly to do?

KANNAGI: CRAZY
SHRINE MAIDENS

Nagi's a strange young girl - and not just because she popped out of a tree! She tells Jin (who's a perfectly normal high school boy) that she's a goddess, but is she really? As a matter of fact, she is! Normal girls, even strange ones, don't come from trees, you know. Soon, the odd pair start living under the same roof together.

KEKKAISHI

By night, junior high student Yoshimori Sumimura is a "kekkaishi" - a demon-hunter who specializes in creating magical barriers around his prey. By day, Yoshimori's got some other demons to battle: an addiction to sweets and a seriously crotchety grandfather! Yoshimori's pretty 16-year-old neighbor and childhood friend, Tokine Yukimura, is also a kekkaishi, but their families are feuding over who is the "true practitioner" of the art.

KIMI NI TODOKE

Sawako Kuronuma is the perfect heroine... for a horror movie. With her jet-black hair, sinister smile, and silent demeanor, she's often mistaken for The Ring's Sadako. Unbeknownst to but a few, behind her scary facade is a very misunderstood teenager. Shy and pure of heart, she just wants to make friends. But when Kazehaya, the most popular boy in class, befriends her, she's sure to make more than just that - she's about to make some enemies, too!

KOBATO

STAFF PICK

In order to have her wish granted, Kobato must heal wounded hearts until her magic bottle is full of their sorrows. Unfortunately, she has no idea how to heal even one. Fortunately she's got Iroyogi by her side, a talking stuffed blue dog who steals every scene he's in, and an endlessly generous heart of her own. No one does bittersweet cuteness quite like Kobato, and if you'll let Wish, you'll love Kobato. - Staff

KUROZAKURO

Mikito Sakurai is tired of being the campus punching bag, but what can he do? By nature he's a gentle and easygoing high school student. That all changes the night he meets Zakuro, a strange kid who promises to grant his most heartfelt desire. "When you wake up," says the pint-sized apparition, "you'll be stronger and better than a human." But there's a catch: he may look the same on the outside, but deep inside lurks a monster that craves ultraviolence and the taste of human flesh.

LA CORDA D'ORO

Kahoko has absolutely no musical skill, but that changes when she catches a glimpse of an elusive fairy who lives on campus. The fairy grants Kahoko a magic violin, and before she knows it, she's nominated to participate in the school's music competition with five very attractive boys. Will she win love and fame, or will bitter rivalry rule the day?

LIBRARY WARS:
LOVE & WAR

STAFF PICK

While the fight against censorship is definitely an integral part of the plot, at its heart, Library Wars is an engaging shoujo romance that follows Iku Kasahara as she works to find her place as a member of the Library Defense Force. The first volume introduces the other members of the team,

including her oft disapproving senior officer Dojo. Kasahara and Dojo's interactions are filled with conflict and hilarity, as well as an occasional tender moment, leaving readers to wonder how things will unfold between the two. - Staff

LOVE HINA

Keitaro Urashima's dream is to attend Tokyo University with his childhood sweetheart, a girl he hasn't seen in years - and can't remember what she looks like! But when he fails the entrance exams, he's in danger of losing his chance for good. Worse, his parents have kicked him out of the house. Fortunately, his grandmother owns the fabulous Hinata Lodge and has agreed to take Keitaro in as caretaker. What he doesn't know is that the lodge is actually a girl's dorm and he's the only guy around!

LOVEPHOBIA

When shy Ako finds her family brutally slain, she can't help but freeze in fear at the sight of blood-thirsty vampire Kou! When Kou's bite yields a surprising rush of pleasure, he decides to take the timid girl back to his lair and make her his servant. Now Ako wanders the city streets in a daze, thirsting for warm, sweet blood... but what will become of her only living brother? The poor boy still awaits his sister's return, never knowing that another vampire hunts him from the shadows.

MAOH: JUVENILE REMIX

What do you do when the city's savior is actually a devil in disguise? Ando is a high schooler who possesses the ability to force others to vocalize his thoughts. As a child he learned to suppress it, but now despite all his efforts to act normal he's forced to reawaken his gift. A group called "Grasshopper," led by the charismatic and mysterious young man Inukai, portrays itself as a civic group, but the events Ando witnesses point at something far more disturbing.

MELANCHOLY OF HARUHI SUZUMIYA ORIGINAL SERIES

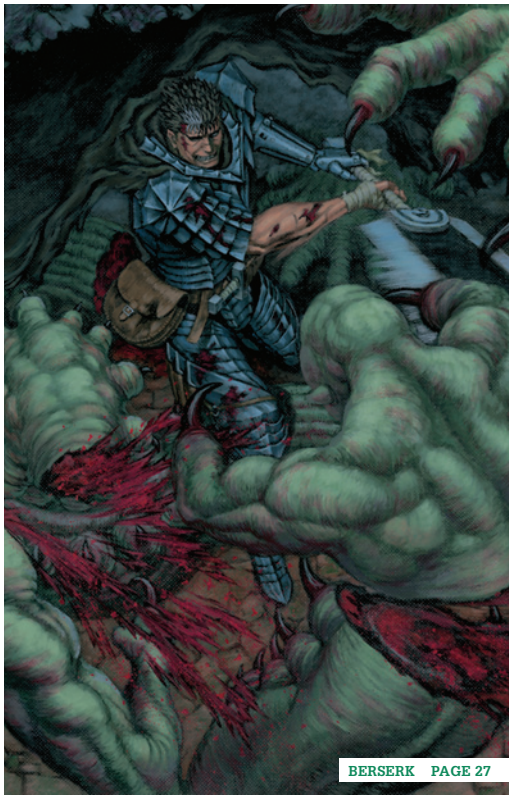

Kyon is your ordinary high school freshman who has long given up on his childhood dreams of encountering the fantastic and supernatural... or so he thought. From the very first day of school, his classmate - the beautiful but eccentric Haruhi Suzumiya - makes it very clear that her only desire is to meet aliens, time travelers, and psychics! A chance conversation between the two inspires Haruhi to form the SOS Brigade, a school club created for the sole purpose of getting these supernatural beings together - if she can find any.

NO LONGER HUMAN

Yozo Oba is a young man originally from a well-off family from Japan's far north and a troubled soul incapable of revealing his true self to others. A weak constitution and the lingering trauma from some abuse administered by a relative has forced him to uphold a facade of hollow jocularity since high school. Usamaru Furuya retells Osamu Dazai's No Longer Human in modern-day Tokyo, where modern vices can bring ruin to the self-loathing.

ONLY SERIOUS ABOUT YOU

Busy chef Nao has to balance his ultrahastic restaurant schedule with the demands of being a single parent for his sweet daughter, Chizu. So when flirtatious customer Yoshi offers to lend a helping hand in an emergency, it's awfully hard to turn him down! But will Yoshi's simple favor turn into an offer Nao couldn't possibly refuse?

ORESAMA TEACHER

Matayu is the ideal yanki chick - no-nonsense, take-charge, and hard-hitting. But when she gets expelled for being a delinquent, her mother sends Matayu to an isolated school far off in the country. Matayu decides to turn over a new, feminine, well-behaved leaf, but her yanki soul can't be kept down, and she finds herself defending some guy who's getting beaten up. One slip wouldn't have been a problem, except the guy is... her teacher?

OTOMEN

Asuka Masamune is a guy who loves girly things - sewing, knitting, making cute stuffed animals and reading shojo comics. But in a world where boys are expected to act manly, Asuka must hide his beloved hobbies and play the part of a masculine jock instead. Ryo Miyakozuka, on the other hand, is a girl who can't sew or bake a cake to save her life. Asuka finds himself drawn to Ryo, but she likes only the manliest of men! Can Asuka ever show his true self to anyone, much less to the girl he's falling for?

PRINCESS KNIGHT

The first volume of Osamu Tezuka's Princess Knight is filled with elements that seem straight from Western fairytales (a faraway kingdom, feisty princess, friendly mice, bumbling villains, and handsome prince), but it also touches on a number of more complex themes that elevate it far beyond a simple bedtime story. Princess Sapphira is no damsel in distress waiting for someone to rescue her, and her story is sure to tug at the hearts of even the most cynical readers. - Staff

SATURN APARTMENTS

Far in the future, humans reside in a gigantic structure that rings the earth. The society of the Ring System is highly stratified: the higher the floor, the greater the status. Mitsu, the lowly son of a window washer, has just graduated junior high. Five years after his father disappeared, Mitsu must take on his father's occupation. As he struggles with the transition to working life, Mitsu's job treats him to an outsider's view into the living-room dioramas of the Saturn Apartments.

SAYONARA, ZETSUBOU-SENSEI

Nozomu Itoshiki is not the kind of teacher you'd hope to have. He's unbelievably negative, pessimistic, and prone to suicidal

theatrics. Amazingly, he seems rather normal compared to some of the girls in his classroom and his morose nature is the perfect counter-balance to their eccentricities. Reminiscent of *Azumanga Daichi* with its observations on the poifiness of society, *Sayonara, Zetsubou-Sensei* is at times cute, other times witty, and will have you grinning wildly with every page. - Staff

TORADORA!

Ryuiji Takasu has learned the hard way that appearances can be deceiving. Despite his inwardly sweet personality, his unintentionally sharp gaze and aggressive features give him the air of a delinquent thug, putting his chances at making new friends, let alone getting a girlfriend, next to zero. To top it off, he unwittingly crosses the most feared girl in school, Taiga Aisaku, making her his arch enemy - and she's moved in right next door to Ryuiji and happens to be his crush Minor's best friend!

ULTIMO

High above Farmless City, citizens are stunned by the sudden appearance of two floating figures. Are they human boys, monolithic robots, or something much more strange? As the battle ensues between them, destruction and devastation falls on the hapless city. One figure is Vice, who seems to be as evil as his name implies. The other is Ultimo, intent on trying to stop Vice from wreaking more havoc.

UNTIL THE FULL MOON

ORIGINAL SERIES

Marlo has a problem. On the night of the full moon, this half-werewolf, half-vampire undergoes a mysterious and terrifying transformation: he turns into a girl. Desperate for a cure, his parents call on Doctor Vincent, a long-time family friend. But Marlo wants to keep his condition secret from Vincent's son, the vampire playboy David. Unfortunately, the secret gets out, and a new problem surfaces: David is interested in Marlo's female form!

@FULL MOON

Sequel to Until the Full Moon. After ten years apart, aristocratic vampires and childhood friends Marlo and David are back together - as fiancés! Being half werewolf and half vampire, Marlo undergoes a peculiar transformation, becoming a woman rather than a beast under the full moon. So there's no problem for a wedding and David's womanizing fangs... right?

VELVETEEN & MANDALA

The world is a dystopia. Tokyo, where the youth used to waste their time searching for answers, is now barren. For Velveteen and Mandala, a pair of teens who still live along the outskirts of town, Tokyo is a nightmare that can only compare to the nightmare that is slowly trying to take over the metropolis. Armed with a fully operational tank, the pair must fight off the zombie hordes while they catchlight each other for food, entertainment, and maybe even the affection and attention of the opposite sex.

VENUS VERSUS VIRUS

STAFF PICK

Having been introduced to the Venus Vanguard crew by the anime series, I picked up the collection 1 omnibus with not a little trepidation since I found prefer the anime version of a story over the manga. However, in this case, I found myself pleasantly surprised. The characters, especially Lucia, are nuanced and multi-faceted with sharper edges than in the anime. The story has enough layers to carry the drama and enough action interludes to keep the pace exciting and fun. In addition, the quality of the art and Seven Seas' English translation is very high. Little extras like artist's sketches and a one-shot story rounded out what I found to be an excellent purchase. - Staff

VERMONIA

On a distant Blue Star, Mel, Jim, Naomi, and Doug - friends obsessed with their garage band - don't seem that different from any of the other 12-year-old skateboarders at Union Middle School. But everything changes when Mel is kidnapped and imprisoned in a world called the Turtle Realm. As her friends rush to save her, guided by the magical squelp Satonin, they find a land whose villagers' only hope is an ancient prophecy foretelling the arrival of four heroes.

WANDERING SON

STAFF PICK

Some manga tell good stories about good characters, keeping you turning the pages because you want to know how they're

going to handle the latest crisis. Some manga prod you to think, highlighting a side of life you might have previously ignored or dismissed. Wandering Son effortlessly does both, telling a simple story of two fifth-grade friends, one a boy who likes to dress as a girl, and the other a girl who wants to be a boy.

MEGATOKYO

STAFF PICK

Since I started reading Megatokyo in 2001, I've always considered it my "Dom's Cool Thing." The characters are shiny. The story has all sorts of moving parts, and Fred Gallagher does things with them, cool things. Over the years, it's been enjoyable watching both the art and the story evolve to be more

sophisticated, complex and polished. *The omnibus collection is exciting because it's a look back at the simpler 4-koma days when Megatoko was a more raw and meandering journey through otaku culture (and sometimes sub-sub-culture) and its ability to have a laugh at its own expense.* - Staff

A GURU IS BORN

Having lost his job and his girlfriend, Kazuo becomes a member of a religious sect after seeing the Guru heal an old woman in a wheelchair. He soon discovers the secrets of success in the sect are much the same as the business world, the power of suggestion playing a larger role than faith. When the Guru unexpectedly dies, Kazuo is nominated to continue the sect as the new Guru.

BODY

Body is a collection of horror stories, all thematically linked to people's perception of their bodies and the consequences of vanity and low self-esteem. In the vein of the psychological suspense of the Twilight Zone, each story ends with a shock, leaving the reader unsettled with the old adage, "Be careful what you wish for," echoing in their bones.

BOOK GIRL

For Tohko Amano, self-styled "book girl," being the head of the literary club is more than just an extracurricular activity. It's her bread and butter... literally! Tohko is actually a literature-gobbling demon who can be found at all hours of the day munching on torn-out pages. For Tohko, the real delicacies are hand-written stories, but when a student comes knocking on the literary club door for advice on writing love letters, will Touko discover a new kind of delicacy?

BOOK OF HEROES

When her brother Hiroki disappears after a violent altercation with school bullies, the young Yukiro finds a magical book in his room. The book leads her to another world where she learns that Hiroki has been possessed by a spirit from the Book of Heroes. She visits the magical Nameless Land, where she is told how to save her brother, and is sent back to Earth. Yuri has to piece together the mystery of Hiroki, and has a library of powerful magic books at her disposal to do so!

CAGE OF ZEUS

The "rounds" are humans with the sex organs of both genders. Artificially created to test the limits of the human body in space, they are now a despised minority. Aboard Zeus I, a space station orbiting the planet Jupiter, the "rounds" have created their own society. Security chief Shirosaki keeps the peace between the "rounds" and the typically gendered "mono," but when a terrorist strike hits the station, an entire people is targeted for genocide.

N/R • #9781934287125 • 240 pgs • \$11.21

DEVOTION OF SUSPECT X

A tragic instance of domestic violence turns into a battle of wits between the prime suspect's neighbor and a physicist, who has been dubbed "Detective Galileo" by the police for his contributions with solving difficult cases. If you're a fan of procedurals, you'll find a lot to like as you progress through the investigation's twists and turns. However, author Keigo Higashino places equal importance on developing fully realized characters, which intensifies the emotional stakes of the story and makes it a compelling, suspenseful read. - Staff

EDGE

The comedic fears of California someday tumbling into the sea suddenly become real with a massive and catastrophic shifting of the San Andreas fault. But even the terror resulting from this catastrophe pales in comparison to the understanding behind its happening, a cataclysm extending beyond mankind's understanding of horror as had previously been known. The world is falling apart because things are out of joint at the quantum level.

KIELI

Kieli, a lonely girl with the power to see ghosts, encounters a man named Harvey, who happens to be one of the legendary Undying. The Undying were soldiers made from recycled corpses who were trained to be immortal killing machines in a violent war 80 years ago. She follows Harvey on his journey to return the ghost of a soldier, who died in that war and has since been possessing a radio, to his grave.

LAKE

A young woman moves to Tokyo after the death of her mother, hoping to get over her grief and start a career as a graphic artist. She finds herself spending too much time staring out her window, until she realizes she's gotten used to seeing a young man across the street staring out his window, too. Visiting two of his friends who live a monastic life beside a beautiful lake, she begins to piece together a series of clues that lead her to suspect his experience may have had something to do with a bizarre secret from his past.

MM9

Japan is beset by natural disasters all the time: typhoons, earthquakes, and giant monster attacks. A special anti-monster unit called the Meteorological Agency Counter Anomalous Organism Unit (MCU) has been formed to deal with natural disasters of high "monster magnitude." The work is challenging, the public is hostile, and the monsters are hungry, but the MCU crew has science and teamwork on their side. Together, they can save Japan.

SPICE AND WOLF

The life of a traveling merchant is a lonely one, a fact with which Kraft Lawrence is well acquainted. Wandering from town to town with just his horse, cart, and wares, the peddler has settled into his routine - that is, until he finds a wolf goddess Holo asleep in his cart. Holo strikes up a bargain with the merchant to increase his profits in exchange for taking her along on his travels. Lawrence soon learns, however, that having a goddess as a traveling companion can be a bit of a mixed blessing. Will this wolf girl turn out to be too wild to tame?
